Dear Ms/Mr Reader,

I am writing to apply for the Junior Web Developer position that was advertised on Linked In. As requested I enclose a job application, my certification, my resume, and three references.

The role is very appealing to me, and I believe that my strong technical experience and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- I have successfully designed, developed, and supported live-use applications
- I strive continually for excellence.
- I provide exceptional contributions to customer service for all customers.

With a B.tech degree in Electronics and communication engineering, I have a comprehensive understanding of the full lifecycle for the web developments projects. I also have experience in learning and applying new technologies as appropriate. Please see my resume for additional information on my experience.

I've attached my resume, which further details all my skills and education. Please do not hesitate to reach out if you have any questions, and i look forward to the opportunity to speak with you further. Thank you for your time and consideration.

Sincerely,

Ankon Pratim Mazumder
